OHIO WING
CIVIL AIR PATROL

26 JULY - 3 AUGUST 1958

Alex Beloff

No Civil Air Patrol Summer Encampment in Ohio or anyone of the other 48 states have ever received a more cordial welcome or finer cooperation than we have had at Wright-Patterson Air Force Base this year.

From Brigadier General John D. Howe, Col Mack A. Goddard, Capt Robert L.M. Snyder and right on down, even to the guards on the gates, we have been made to feel at home. We can only hope that they have enjoyed having us here just half as much as we have enjoyed our tour of duty at Wright-Patt.

It gives us great pleasure to be able to publish the following letter:

OFFICE OF THE COMMANDER
WRIGHT-PATTERSON AIR FORCE BASE, OHIO

It is a great pleasure for me to welcome the cadets and senior advisors of the Ohio Wing, Civil Air Patrol, to this 1958 Summer Encampment at Wright-Patterson Air Force Base.

I am sure that each of you will take away renewed fellowship, increased knowledge, and a better understanding of the Civil Air Patrol and the United States Air Force when you return to your homes all over the State this weekend. I hope that your first-hand acquaintance with the USAF will lead many of you CAP Cadets to continue in the careers you have so well begun - that in years to come you will become a part of our great global force.

My deepfelt thanks and appreciation go to all your senior members for their selfless devotion to the training of our nation's most promising asset, it's youth. To you who lead, and to you who follow that leadership, my very best wishes. We are glad that you have been with us. We hope to see all of you again.

JOHN D. HOWE
Brigadier General, USAF
Commander
Wright-Patterson Air Force Base

I want to express my thoughts in regard to this year's Encampment. We set up certain goals to be reached by all groups, namely: first - second - third - and fourth year of training groups. Except for some very minor changes due to weather, all of the above were completed. We are not foolish enough to think that a certain amount of improvement could not be made in all of our camp operations so it behooves all of you to write a note advising us of your observations, but most of all a method of correction.

The Senior Staff, Cadet Group Staff and all cadets attending were most wonderful and cooperative and I am sure we gained a lot from this years experience.

A great deal of credit is certainly due the Base personnel for their efforts in our behalf as we could not operate without them.

It has been a privilege and an honor to have served as your Commander.

Robert H. Hereweh
ROBERT H. HEREWEH
Lt Colonel, CAP
Encampment Commander

The 1958 C.A.F. Summer Encampment is rapidly coming to a close and I wish to extend to all of you my most hearty congratulations for a job well done.

To you cadets and seniors attending this encampment for the first time, you probably are very much confused by the methods used and reasons for certain training schedules; especially the different phases and groupings. We believe this type of training to be good and it has the approval of National Headquarters.

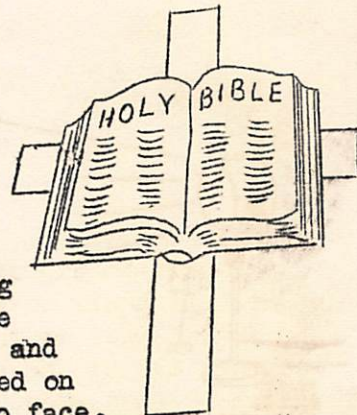

To the Base personnel, I wish to say that we have never had better cooperation, and I personally thank each member of Ohio Wing, CAP, for their help in making this year's encampment so successful.

We hope to see all of you next year, so good luck to everyone.

THE CHAPLAIN'S CORNER

Chaplain Charles Degenhart

In a few more days the 1958 Summer Encampment for the cadets of Ohio Wing of the Civil Air Patrol will be history. During this Encampment, the cadets are getting a taste of "Air Force Life". They are receiving training in the latest phases of United States Air Force procedure; small arms firing (carbine and pistol); religious and moral guidance through the Chaplain's Program which is designed to make better citizens, and better men and women of them. Men and Women that can be counted on in case of any emergency or situation this country may have to face. They are receiving training in First Aid, which will be valuable to them in many walks of life in case First Aid is ever needed.

It is regrettable that the weather is extremely hot during this encampment. Because it has been, some of the cadets have been having a "rough" time. Some changes have been made to cope with the hot weather and things are in a better way. Mistakes have been made, but we are happy to state that they were corrected as quickly as possible. You may rest assured the only person who doesn't make a mistake has had his funeral preached. The person who doesn't try, for fear of making a mistake, is making a mistake - in not trying. To be sure such a person doesn't make progress either! Because man is determined to go forward, many mistakes are made, but when corrected, progress is made. Look at the progress that has been made in flying in the past ten years! Can you visualize what it will be in another ten years?! That is progress, and we are making some in this Encampment!

We want to commend the Commander and his staff for a willingness to "work out the bugs" and make this a GOOD encampment. We are sure it is and that it will be even better before it comes to a close. Congratulations to everyone, whether senior or cadet in trying to make this the best encampment yet!

You get more out of C.A.P. when you get out to C.A.P. more.

They were talking about the loving qualities of the female of the human species and one cynical-looking cadet told this story:

"Mommy, Mommy," bawled the little girl, "Daddy just poisoned my kitty."
"Don't cry, dear," replied the mother sympathetically. "Maybe he had to."
"No, he didn't," screamed the heartbroken child. "He promised me I could."

LAMENT TO AN ARMBAND

Oh, I'm the Officer of the Day
I never get to hit the hay,
I finally smell like "Old Dog Tray"
For I was stuck with the Bandage

My shirt is wrinkled, my britches sag,
My raincoat looks like a flop-house rag,
While the "Big Brass" duck out on a jag,
When I am stuck with the bandage

Oh, I'm the Colonel's fair-haired boy,
The Exec-Captain's pride and joy,
A better guy he'd ne'er employ,
To be stuck with the God-darned Bandage

So help me, Hannah Jones, Amen,
Before I take this job again,
I'll scrub the barracks floor, and then
They can have their God-darned Bandage.

"Let's see," said the weatherman to his assistant, "You'd better put down rain as positive for this afternoon."

"But what makes you so certain?" asked the assistant.

"It's a cinch," the weatherman replied. "I've got a ticket for the ball game. I've lost my umbrella, my kids are going on a picnic and the wife is giving a lawn party."

SPOT NEWS

FROM THE SQUADRONS

On 28 July, the prominent Flight Leader of Flight 2, Charlie Squadron, was seen talking on a telephone to a girl whom he commonly refers to as "Batterball." Later on investigation into the matter, discovered that the Lt was talking to a "G" barracks member of equal rank.

Since a certain male cadet got sick while flying yesterday, Major Thulin took no chances while flying cadets today. Every 15 minutes or so he passed out mints, free of charge too.

A certain short senior female Lt was wondering why she was getting her uniform wet in spots, until she noted that she was sitting on a wet wash cloth; In the process of brushing the spot with her hand she forgot about the needle that was in her hand and innoculated herself in a very obvious place.

A court trial was held over a missing peach yesterday. All cadets with peach fuzz on their faces were suspects. After a while a cadet was blamed for the theft when the peach was found under his bunk. The other cadets found him guilty. It was later admitted that the peach was planted there. This goes to show that the cadets have a good sense of moral character, by examining the facts and arriving at a just conclusion.

Capt Bill Knowland was taking a shower when the flight was called to attention. The cadet was left in an embarrassing situation when his towel fell off, but he was a true Squadron "E" man and he stayed at attention.

Cadet Ron Bell is in a tight spot if he needs both dress uniforms. He lent his to a cadet and the cadet was transferred.

A unique procedure has been thought up by a few of the brainy cadets in Squadron "G". When some of the fortunate females have to get up earlier than usual for special duty or C.G., they simply tie a handkerchief or a towel to the top of their bed. Then there isn't the mess of trying to find and remember where their bed is located. The person that is charged with the duty of waking them has only to tip-toe around looking for the "signal" on the beds. If she doesn't trip over someone's washing, strung up in the most unlikely places, before waking the girls she's lucky.

For some reasons Capt McGee doesn't like to be slapped in the face with cold, clammy washing hanging in the latrine.

What female cadet, while trying to dispose of some food in the disposal, dropped her dish in the garbage and stood by innocently saying "Oh, dear" repeatedly while the airman mistakenly brushed her arm instead of the dish???

Who "accidentally slipped" off the Burma bridge, Mon night? Could it be Flight 1's illustrious Flight Leader???

" I changed my mind"

FUNNY BONERS

A BRIGHT (?) CADET FAILED TO SALUTE A SQUADRON COMMANDER.

"DON'T YOU KNOW WHO I AM?" HE SHOUTED. "I'M IN CHARGE HERE - I HAVE COMMAND OVER 40 TO 50 CADETS."

THE CADET GAVE HIM A BROAD SMILE. "YOU SURE HAVE GOT QUITE A JOB ALL RIGHT, SEE THAT YOU DON'T LOUSE IT UP."

"WHAT'LL YOU HAVE TO DRINK?" ASKED THE DRUGSTORE WAITRESS OF GLEN MORRIS.

"GINGER ALE, PLEASE."

"PALE?"

"NO - JUST A GLASSFUL."

A MAN TRAVELS THE WORLD OVER IN SEARCH OF WHAT HE NEEDS AND RETURNS HOME TO FIND IT.

OVERHEARD IN THE DAY ROOM: "SHE DOESN'T HAVE MUCH UPSTAIRS . . . BUT DIG THAT CRAZY STAIRCASE."

LARS SCHUSTER, READING SOME STATISTICS IN A MAGAZINE, TURNED TO RONNIE SCHAR AND REMARKED: "AMAZING! DO YOU KNOW THAT EVERY TIME I BREATHE, A MAN DIES?"

"VERY INTERESTING, REPLIED RONNIE, "BUT WHY DON'T YOU TRY CHOLOR-PHYLY?"

A VACUUM CLEANER SALESMAN CAME TO A FARMHOUSE AND WANTED TO DEMONSTRATE HIS PRODUCT. HE EMPTIED A SACK OF DIRT ON THE RUG AND SAID, "LADY, IF THIS CLEANER DOESN'T PICK UP ALL THAT DIRT, I'LL EAT IT WITH

"JUST A MINUTE," ANSWERED THE HOUSEWIFE, "I'LL GET A SPOON. WE DON'T HAVE ELECTRICITY."

IT IS NOT THE PLACE, NOR THE CONDITION, BUT THE MIND ALONE THAT CAN MAKE ONE HAPPY OR MISERABLE.

W-P AIR POLICE: "HOW DID YOU KNOCK HIM DOWN?"

ET FRED FIDLER: "I DIDN'T. I PULLED UP TO LET HIM GO ACROSS - AND HE FAINTED."

Telephone Operator: "It costs seventy-five cents to talk to Delaware"

Major Schaffner: "Can't you make a special rate for just listening? I want to call my wife."

"How soon shall I know anything after I come out of the anesthetic?" Asked Cadet Capt Nancy Birdsall.

"Well, that's expecting a lot from an anesthetic."

MAJOR THULIN STARTED FIGHTING VIOLENTLY WHEN HELD UP BY TWO MASKED ROBBERS. HOWEVER, THE ROBBERS FINALLY MANAGED TO SUBDUCE HIM AND GO THROUGH HIS POCKETS. THEY FOUND ONLY A QUARTER.

"YOU MEAN PUT UP ALL THAT FIGHT TO PROTECT A MEASLY 25 CENTS?" ASKED ONE BANDIT.

"GOSH, NO." MAJOR THULIN SAID. "I THOUGHT YOU WERE AFTER THE \$500 IN MY SHOE."

CAPT GEARHART WAS OUT CELEBRATING, AND ABOUT 2 AM DECIDED THAT IT WAS TIME TO START HOME. "WON'T YOUR WIFE HIT THE CEILING IF SHE FINDS OUT YOU WERE OUT SO LATE?" ASKED CAPT PIERRE. "SHE PROBABLY WILL.", REPLIED CAPT GEARHART. "SHE'S A HECK OF A SHOT."

COL BEVAN: "WON'T YOU JOIN ME IN A CUP OF COFFEE?"

CAPT GANDERT "SURE, YOU GET IN FIRST."

"JUST ENOUGH" IS FAR FROM GOOD ENOUGH.

TWO FEMALE CADETS (WESSEL & WELCH) WERE BEING FOLLOWED BY A LONE CADET. FINALLY, ONE OF THE GALS COULD STAND THE SUSPENSE NO LONGER AND, TURNING TO THE CADET, ORDERED: "EITHER QUIT FOLLOWING US OR GET ANOTHER CADET."

ENCAMPMENT FROLICS

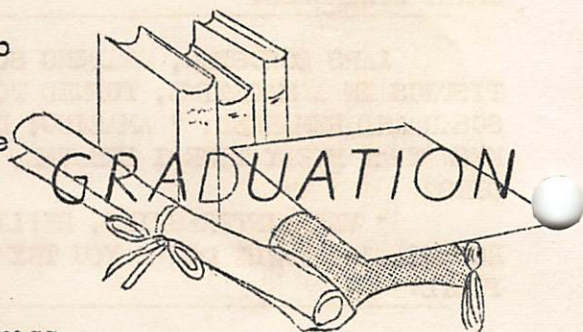

Each year the highlight of the encampment entertainment program is the variety show; which this year is to be known as "Encampment Frolics." Due to the fact that this paper must go to press before show time, we will try to anticipate some of the action of the show. We understand that a "SGT BELLICAN" skit is to be presented by male cadets from Sqs A, C, and D and will prove to be quite interesting. There will be a few cadets who will sing individually and in trios. Also represented will be the ALL-girl Sq 7070 from Dayton who will sing a few of their Squadron's favorite songs.

Directing the Program will be Capt William F Gandert, under the supervision of Col Paul E. Bevan of Special Services.

The ultimate goal of the cadets who attend each year's encampment is the Certificate of Accomplishment. They come to the encampment to absorb the atmosphere of the military life and obtain a more specialized training in certain subjects. This training is acknowledged by the senior personnel of CAP by the issuance of the Certificate of Accomplishment.

This year it will be awarded in a graduation ceremony to take place Sat afternoon in Grant Hall, Sherwood Area. Dr. Robert Drew of the Great Lakes Region has been invited to address the members of the CAP Summer Encampment. He will be introduced by Col Paul L. Schneider.

In addition to our own Encampment and Base Officers, visiting dignitaries will be Col Lyle Castle, Ohio Wing Commander, Col John O. Swartz, Deputy Commander of the Great Lakes Region, and possibly other Region members.

GRADUATION DANCE

We are anticipating the Annual Graduation Dance to occur Saturday evening at the Airmen's Club here at WPAFB. This is the real highlight of the encampment, at least as far as the cadets are concerned, for they have been looking forward to it since the first night they arrived. The music, supplied by a combo from the 661st Air Force Band promises to be very entertaining.

In addition to the feeble cadets from the encampment, girls from the Catholic Youth Organization, Rainbow Girls, Senior Girl Scouts and other organizations have graciously consented to allow their members to attend this function. We wish to extend our thanks to these organizations, whose members will help to make this Graduation Dance one long to be remembered.
